Election/Restrictions

1. This application contains claims directed to the following patentably distinct species of the claimed invention: (i) a pneumatic tire comprising a carcass ply formed of polyester cords, a breaker ply formed of steel cords, and a band ply formed of aliphatic polyketone fiber cords having specific properties (claims 8 and 13), (ii) a pneumatic tire comprising a carcass ply formed of aliphatic polyketone fiber cords having specific properties, a breaker ply formed of steel cords, and a band ply formed of aliphatic polyketone fiber cords having specific properties (claims 9, 11, and 13-15) and (iii) a pneumatic tire comprising a carcass ply, a breaker ply, and a band ply, each formed of aliphatic polyketone fiber cords having specific properties (claims 10 and 12-15).

Applicant is required under 35 U.S.C. 121 to elect a single disclosed species for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable. Currently, none of the claims is generic to all of the species.

Applicant is advised that a reply to this requirement must include an identification of the species that is elected consonant with this requirement, and a listing of all claims readable thereon, including any claims subsequently added. An argument that a claim is allowable or that all claims are generic is considered nonresponsive unless accompanied by an election.

Upon the allowance of a generic claim, applicant will be entitled to consideration of claims to additional species which are written in dependent form or otherwise include all the limitations of an allowed generic claim as provided by 37 CFR 1.141. If claims

are added after the election, applicant must indicate which are readable upon the elected species. MPEP § 809.02(a).

2. A telephone call was made to James Hellwege on June 2, 2003, June 5, 2003, and June 9, 2003 to request an oral election to the above restriction requirement, but did not result in an election being made (examiner was unable to reach applicant's representative).
